1. The minutes of the 55th meeting were read and approved.
2. A memorandum from Lt. Pratt, relative to the assignment of personnel to Philadelphia was considered, and after deliberation it was decided that under our present set-up, the plan would not be effective. Comdr. Bailey was to explain the opinions of the board to Lt. Pratt.
3. Comdr. Bailey suggested that all JANIS work be scheduled and that the schedule and also the progress being made be posted either on a board or by some other readily accessible method. The Secretary was directed to appoint a committee composed of Comdr. Clinton, Lt. Pratt, and himself to make a study of this situation.
4. The Secretary was also instructed to revise the Consolidated Progress Report form in order to eliminate the overlay.
